RE: SUPPORT OF THE KWANELE KWANELE CAMPAIGN

Soweto Gospel Choir has added its support to the Kwanele Kwanele Campaign, an incredibly important initiative for South African society today.

Women and child abuse has reached unacceptable levels in this country and unless people take a stand against such abuse, nothing will change. So let us all add our voices to those who have declared that this abuse should stop, and let us all speak for those who are unable to speak for themselves. Enough is enough!
